

# Experience innovative technology in Medical Gas Management and Delivery

NEW Design!

\*\*Cartridges sold separately

Concerns of gas compression, uncertain volumes, explosive delivery, valve direction confusion, inconvenient purging, and air contamination have all been eliminated. The CO2mmander® ELITE / AngiAssist® products have an unprecedented and superior range of application and physician acceptance.

Use of the CO2mmander® ELITE / AngiAssist® can provide lower-cost, more convenient, and safer alternatives

# Medical Gas Management and Delivery Systems

*The Beauty is in the Simplicity...*
